GREATER ESSEX COUNTY DISTRICT SCHOOL BOARD PLAN IN ACCORDANCE WITH ONTARIANS WITH DISABILITIES ACT (ODA) FOR THE YEAR SEPTEMBER 2024 TO AUGUST 2025

The Ontarians With Disabilities Act 2001 requires that all public organizations such as municipalities, school boards, hospitals, universities, and colleges to prepare a plan that identifies measures the organization has taken to identify, remove and prevent barriers to persons with disabilities and consult with persons with disabilities and others in preparing the plan.

The Accessibility for Ontarians With Disabilities Act 2005 (AODA) empowers Regulation 191/11 “Integrated Accessibility Standards” that provides direction for the following areas:

1. Information and Communication Standards
2. Employment Standards
3. Transportation Standards
4. Design of Public Spaces Standards (Accessibility Standards for the Built Environment)
5. Customer Service Standards

The Greater Essex County District School Board (GECDSB) must publish this plan by September 30th of each year in accordance with the Ontarians With Disabilities Act. Every year the Ontarians With Disabilities Act Committee must update the plan for the next year.

The ODA Committee would like to provide an on-going opportunity for all staff, parents and community partners of the Greater Essex County District School Board to communicate accessibility concerns to the School Board. To share your suggestion and input, please use the following link:

The ODA Committee has reviewed the ODA Plan for the 2024/25 school year.

In addition to this year's plan, the Committee will be focusing on the following items as the GECDSB strives to identify, address, remove and prevent barriers to accessibility.

- The ODA Committee will continue to collect information from the various stakeholders in order to identify, remove and prevent barriers.
- The ODA Accessibility link on the GECDSB website will be updated yearly to indicate the progress being made by the School Board.
- The ODA Committee will provide a link on the GECDSB website inviting suggestions and input for barrier identification and reduction.

If you wish to provide suggestions and input to the ODA Committee, please click on the given link to send us your message via email. These messages will be presented to the ODA Committee for consideration. For this link, please see page 1 of this report.

Information & Communication:

During the 2021-2022 school year, Communications Team & ITS team migrated board and school websites to a new platform to meet AODA requirements. The AODA scanning tool is used on new sites to ensure compliance with materials included on board and school websites.

Employment Standards:

During the 2022-23 school year, the Board undertook an Employment Systems Review to create a more diverse workforce by evaluating formal and informal policies and practices related to the recruitment, hiring and selection processes. A plan to adopt recommendations is currently being developed.

Note: Cleaning protocols will be continued to ensure that high touch surfaces, such as elevator buttons and automatic door opener buttons are disinfected. Hand sanitizing stations continue to be maintained at all building entrances.
