

Hello

My name is John Miller, and I am applying for the temporary trustee position for the Greater Essex County District school board.

I live at 733 Chilver Road in Windsor Ontario, and I work as a Senior Project Manager with over 25 years of experience in the ICI construction sector.

Having been a Windsor resident my entire life I attended Herman High School and in 1993 I graduated from St. Clair College of Applied Arts & Technology completing the Civil Engineering Program. I furthered my education from 1994 to 1995 by completing the First Line Supervisors and Ontario Management Development Supervisory Studies. I also attended York Universities Schulich School of Business for Project Management and Microsoft Project Scheduling in 2008.

I believe education and youth engagement are very important and I have dedicated a lot of my free time working with Youth Groups, The Windsor & Essex County Children's Aid Society and Local Apprentice groups with the goal of helping kids achieve success. Also, I currently chair the Windsor Construction Association Labour Relations Board. So, with my background experience in union relations, I can be a resource asset in future negotiations if needed.

My other commitments are the Windsor Construction Association Board of Directors and the City of Windsor Development and Heritage Standing Committee.

On my personal time I help the Peace Lutheran Church board and food bank with fundraising.

Professionally:

- Senior project manager with Verdi Alliance, a local general contractor specializing in the ICI construction sector.
- Board of Directors for the Windsor Construction Association
- Chair the Windsor Construction Association Labour Relation Board.

Volunteering:

- Youth mentor for the Children's Aid Society
- Carpenters Local 494 Apprenticeship Committee.
- City of Windsor Heritage Committee
