Thriller in Kingsville

Surprise in store at annual Halloween

The students and staff of Kingsville Public School will be celebrating Halloween in their traditional fashion on **Tuesday, October 31st**.

The Grade 8 students will be performing The Thriller, which has become an annual event at KPS. This, however, will be the final time they will get to do it as a school community because students will be moving to the new K-12 school in Kingsville which is scheduled to open next September.

On a day when shocks and unnatural events are to be expected, there's also a big surprise in store for the students, which will be revealed after their performance.

The assembly begins at **11:40 a.m.**

For more information contact Principal Darin Carroll at 519-733-2338.
