## **Riverside Secondary School Enriched Application Guidelines** 2025-2026

- 1. Students applying for the Riverside Enriched Program should be receiving Level 4's in the courses they are applying for. They should also have Excellent Learning Skills noted on their report cards. The student's Grade 7 Final Report Card and most recent Grade 8 Report Card must be attached to the Enriched Application. It is the applicant's responsibility to ensure supporting documentation is sent with the application.
- 2. Students must enrol in at least **TWO** of the three enrichment courses offered in grade 9 (i.e. English, Math, or Science).
- 3. Transportation to and from Riverside is the responsibility of the student.
- 4. In order to remain in the Enriched Program at Riverside, students must continue to be enrolled and be successful in at least **TWO** Enriched courses. The status of students in the Enriched Program will be reviewed each year in the spring before courses are selected for the next academic year. However, we reserve the right to review placement in the program as needed if students are experiencing difficulties.
- 5. Subject to the above, admission of such students is still at the discretion of the receiving Principal, based on the capacity of existing courses.
- 6. Student applications must be reviewed and signed by the Grade 8 Teacher and Elementary Principal.

Please call or e-mail if further clarification is needed.

Thank you,
